

## TARIFFS EXTENDED

2009 = 2010

Throughout the years **NACEX** has maintained a clear course of action, consistent with the economic environment, when it comes to the publication of annual tariffs. For this reason, we are pleased to inform you that the **2009 tariffs have been extended to 2010**, in the hope that your best expectations be satisfied.

We would also like to inform you of the **latest developments in our range of services for 2010**:

## 12:00 H EXPRESS

We would like to inform you of a **1 hour reduction in our delivery time commitment for our 13:00 H EXPRESS service**, which will become **12:00 H EXPRESS** \*.

This has been made possible thanks to a high level of investment in technology in our hubs, transport and communication systems, as well as the heightened commitment of all our brand's franchisees.

\* Only available for towns/cities with a **NACEX** office and within its working radius (30 km round trip), with other towns and cities having the service up to 13:00 H.
